Dear Colleagues,

You may not have heard yet that we now have a college wide Alumni Facebook page. You can check it out at this link: <https://www.facebook.com/mstatefoundation>

Please visit the page and like it. Also, please share it with your friends so we can spread the word of all that is happening within our foundations. A lot is happening and we are excited to share.

Let me know if you have any questions.

Thanks,

*Ann Olson*
